**Sub: Clearance to Revised AA proposal of Purandar
L.I. Scheme**

Ref: MKVDC Pune's letter No. मकृखोविम/२१०/(७३२/२०११)/
मोप्र-१/९६९५ dt 9/12/2011.

Kind attention is invited to your above reference seeking clearance of MWRRA under section 11 (f) of the MWRRA Act to the Revised proposal of Purandar LI Scheme in district Pune, before Revised Administrative Approval (RAA) is obtained.

2. The salient features of the original and revised proposal are as under:

Details	Original	Revised
ICA (ha)	20650	25498
Cropping Intensity (%)	125	101
Irrigation Potential (ha)	25813	25753
Cost (Rs. Lakhs)	17892.70 (1995-96)	60890.17 (2010-11)

Contd...

3. Kind attention is invited to WRD circular dt 21.9.2011 giving the procedure for clearance of AA & RAA. Para 3 & 4 of the circular deal with the required criteria for which clearance of RAA by MWRRA is required. Although the ICA of Purandar LIS (major project) has increased more than 10 %, the Irrigation Potential has reduced by 60 ha due to revised cropping pattern and crop planning. Thus as per para 4 of this circular, clearance of MWRRA is not required and project can be processed for RAA as per Para 5 of the circular after SLTAC clearance, which has already been obtained. Further, although Pune district is a non-backlog district, the proposed RAA dose not involve any additional creation of irrigation potential which will have an effect on the backlog status.

The proposal is returned herewith.
