AUTHORITY MEMORANDUM

1.00 Section 11 (f) of the MWRRA Act (Act No.XVIII of 2005) reads as below:

“To review and clear water resources projects proposed at the sub-basin and river basin level to ensure that a proposal is in conformity with Integrated State Water Plan and also with regard to the economic, hydrologic and environmental viability and where relevant, on the State's obligations under Tribunals, Agreements, or Decrees involving interstate Entitlements:

Provided that, while clearing the new water resources projects by the concerned for construction proposed by River Basin Agencies, the Authority shall ensure that Governor's Directives issued from time to time, relating to investment priority for removal of regional imbalance are strictly observed;

Provided further that, in respect of the projects situated in Marathwada and Vidarbha Regions, the powers to accord administrative approval or revised administrative approval, under this clause, shall in accordance with the Governor's directives, be exercised by the concerned River Basin Agency”.

2.00 Jirgyal Minor Irrigation Storage Tank Taluka Jath, District Sangli in Krishna basin, was received for clearance by MWRRA under above mentioned Section of the Act, vide Ref. (1) above.

3.00 (i) This Project is cleared by Chief Engineer, Hydrology Project, Nashik, for water availability.

(ii) The BC ratio is less than 1 and this project lies in DPAP Area and Sangli District is not in backlog area. Cost norm for the DPAP area is Rs. 25,382 / TCM but cost /TCM for this project is Rs.32,024 hence not meeting the cost norm requirement.

4.00 Since the project does not satisfy the criteria for techno – economic viability, it is herewith returned.

5.00 This memorandum is issued under reference No. 5 dated 05/11/2007 and is registered under No. MWRRA / 2007 / PRCL / Sangli / JRGL / 934 dated 05/11/2007 in the office of the Authority.

6.00 The Receipt of this Memorandum may please be acknowledged.
